## Sheffield June 5-13, 2013 Pilgrimage

**Pilgrimage at St. Thomas'** is held once a year. It is an opportunity for churches and lay leaders to spend time in Sheffield, learning about the vision and values of St. Thomas' Crookes and St. Thomas' Philadelphia, two churches in a covenant relationship in Sheffield. The week usually operates in a fairly informal environment, which gives participants time to reflect on their own leadership and church's mission. Pastors and ministry leaders from all over the world gather for this leaning experience. After Pilgrimage, your outlook on church, ministry, and missions will never be the same!

**At Pilgrimage, we'll meet each night as a group, in an English pub, to debrief the week's sessions on:**

- Clusters and Missional Communities
- Huddles
- Discipleship
- Leadership
- Spiritual Warfare
- "White-Hot" Worship
- Healing and Prophecy
- Among other areas of spiritual life and church

### **St. Thomas' Crookes: The Vision**

God has given St. Thomas' a life to live, and their desire is to live that life better by living a God life. Jesus lived a balanced life in three dimensions:

#### **UP—IN—OUT.**

- UP— the time He spent with God His Father;
- IN— the time He spent with His disciples, His community of faith, His friends;
- OUT— the time He spent with those in need in the world, showing them in word and action the better life He came to bring.

#### **Clusters and Missional Communities**

Both St. Thomas' Crookes and Philadelphia utilize an incarnational model of ministry known as clusters and missional communities. The principles behind these groups focus on reaching a specific target group of people who do not yet know Christ through building relationships.

### **St. Thomas' Philadelphia: "Calling our City Back to God."**

This means they are working for a regenerated, healthy, prosperous city with strong, tolerant communities and freedom from addiction, crime, and violence, as well as opportunities for people to choose to follow Jesus.

A large Sheffield-based missionary church, St. Thomas' Philadelphia is called to:

- Build community around their homes, fostering an ethos of mutual care, friendship, and support in their local neighborhoods.
- Support their schools and community centers, working with children and youth to promote positive values and behavior, as well as an understanding of the Christian faith.
- Invest in students and young adults, working to raise up the next generation to become men and women who will impact our nation for good.
- Build relationships in their places of work, which allows high productivity with strong teams of colleagues, while also deepening friendships and support.
- Work with the poor and the marginalized, including addicts and sex workers. They have a number of members choosing to live in communities in some of the more deprived areas of the city in order to do outreach.
- Invest time, money, and effort into the city of Sheffield to help regeneration and growth.
