

2020 Year-End Report

COVID-19 couldn't stop us! We're still serving because of you!

Dear Friends,

Greetings in Christ!

Merry Christmas and Happy New Year! Every area of life and ministry was changed by the COVID-19 pandemic, except two very specific things didn't change: 1. The *hope* we have in Jesus Christ and 2. The *generosity* and support of our ministry network.

When the pandemic started, the Church Doctor team committed to the following: We would **pray daily** for God's will to be done; we would continue to **carry out the mission** He gave us to help churches; we would not let the pandemic be the end of this work, because we firmly believe **God is not done using our ministry to change the world, one Christian and one church at a time.**

Because of **YOUR** friendship, partnership, prayer support, and financial support, we are filled with gratitude to share this year-end report with you. We hope you, too, will be filled with thanksgiving and gratitude to know that as God blessed you, and you blessed Church Doctor Ministries, we were able to do more than we ever imagined we thought we could do during the pandemic.

As we celebrate the miraculous birth of Jesus, it reminds us that God is in the miracle business still today. He is working in and through each of us, even in the most challenging of times. That's the promise and hope we have.

We thank God for you! We look forward to a fruitful 2021!

Because of you, COVID couldn't stop us from...

- Fulfilling every 2020 signed service agreement without a single cancellation or loss of service.
- Launching our new Clarify Your Ministry Message communication consulting and coaching ministry.
- Publishing the 32nd book from Kent, *Restoring Civility: Lessons from the Master*.
- Presenting content for every 2020 conference/speaking engagement without a single cancellation.
- Continuing day-to-day ministry operations during shutdowns, travel restrictions, and a few near misses with positive close-contact quarantining.

Ministry activity has touched more than 1,800 churches, 2,400 pastors, and thousands of ministry leaders, church staff teams, young adults, and other Christian nonprofit ministry leaders.

We can't do this important work alone.

When we partner together, more churches receive help, more people discover a hope-filled life in Jesus Christ, and joy and generosity among Christians multiplies. Churches turn around, and spiritual growth and vitality increase.

We are in a critical time.

Many of our most generous and committed donors have gone home to be with the Lord. General economic concerns have had an impact on giving to ministries like ours. If ministries like Church Doctor Ministries go away, things will only get worse for the local church.

All of us at Church Doctor Ministries would like to thank the following prayer and support partners:

Kevin and Debi, Mark and Deb, Frank and JoAnne, Ann, Edna, Carol, Don, Taryn, Jim and Lisa, Ken, Ervin and Susan, Gary and Dawn, Jim and Marlys, Kent and Janet, Jack, Joe and Diane, Marliss, Matt and Rose, Paul and Cindy, Thomas and Sue, Tom and Rita, Dan and Marji, Art and Nancy, Alicia, Ben and Nancy, John and Chana, Dennis and Carol, Jeff and Kathy, Alan and Jo Dena, Earl, Keith and Carol, Thrivent Choice, Stu and Carol, Manthei Charitable Trust, Steve and Grace, George and Margaret, Tim and Barbara, Mike and Nancy, Adam and Patty, Leonard and Linda, Cary, Marlene, John, King of Kings Lutheran Church, Don, Roger and Candi, Carol, Dave and Barb, Greg and Sandy, Curt, Motley and Pamela, Bud, Gary, Musa and Sarah, Kim, David, Violet, Robert and Carol, Bill and Mary, John, Jackie, Vickie, Brent, Chad and Becky, Kim, Kandra, Gloria, William, David and Patricia, Roger and Beth, Hank, Tom and Carol, Ken and Irene, Casey and Maribeth, Donna, Thom, Paul and Susie, Alice and the CDM global prayer network, the Lutheran Foundation, POBLO Ministries, Fresh Hope for Mental Health, St. Paul Lutheran Church, and Emmanuel Lutheran Church.

Thank you for joining us in this important mission!
